Subject: REGULATION (CE) No. 1907/2006 (REACH) updated for July 2020 additions

Dear Customers, Dear Partners, Madam, Sir,

We are committed to meeting our legal obligations under REACH.

As a downstream user, we contacted suppliers of RAW materials, consumables and supplies under the REACH regime in a timely manner to ensure that REACH does not adversely affect the delivery of products delivered by Arcofil SA.

So far, suppliers have confirmed that there is no impact on the products we supply and we are counting on them to do their part in this process and to notify us if that changes. In the extremely unlikely event that REACH affects our ability to deliver a product, we can identify any user of that product and inform them of appropriate alternatives.

If you need more information, please contact us.
